GENERAL REMARKS.—The heavy expenses for water and additional buildings in the first and second years, calculated from the small average number of patients supported, makes the rate per head appear high. Average, 1st year, 60 patients; 2d year, 51½ do.

REMARKS.—Materials for clothing were purchased for the full number; but the calculation is made from the average number supported, as ordered.

FOOT.—The larger and constant food is included under the head, and they receiving a larger and more expensive allowance than the patients, the rate per head may appear high.

RICHMOND ASYLUM,

Comprising the Counties of *Dublin, Dublin City, Drogheda County Town, Louth County, Meath County, Wicklow County.*

The Richmond Lunatic Asylum was built in the city of Dublin in the year 1815, by Parliamentary grant, for admission of all Pauper Lunatics throughout Ireland. By the Act of 11 Geo. 4, c. 29, it was created a District Asylum, subject to the rules and regulations contained in the Acts of 1 & 2 Geo. 4, c. 35, for the erection of asylums in Ireland. His Excellency the Lord Lieutenant, pursuant to the powers invested in him by the Act of 11 Geo. 4, was pleased to allot thereto the following parishes to form the district, viz. county of city of Dublin, counties of Dublin, Meath, Wicklow, Louth, also the county of the town of Drogheda.

This asylum was intended for 257 patients, but from the press of patients for admission, apartments not originally intended for patients have been within the last few years appropriated for their use, and the asylum now contains 285 patients.

This asylum was constructed and furnished by means of Parliamentary grants, and without charge of any particular county, as a general asylum, and was used as such until the year 1831, when it was declared by the 1 & 2 Geo. 4, c. 35, a District Asylum, and appropriated accordingly.
